

Our allround-carefree-package for your event:

At the beginning of the event we will greet your guests with an aperitif of our choice. This could be, for example:

- German sparkling wine with an edible Australian hibiskus flower (the alcoholfree version would be with mineral water and a little bit more hibiskus sirup)
- German sparkling wine with a licquor (blackberry, raspberry, blueberry...) and as a non-alcoholic alternative the „Prisecco“, a sparkling aperitif based on apple- and pear juice in combination with different herbs and spices
- or an aperitifcocktail (with and without alkohol), a sorbet, punch.....

Depending on the number of people and the location the food will either be served as a classic buffet or as a „flying buffet“:

We will constantly serve your guests a big variety of fingerfood delicacies (*warm soup to be drunk from small cups, a big variety of cold and warm savoury dishes on little spoons, in glasses and to simple eat with your fingers, a variety of desserts*).

We will also serve soft drinks (mineral water, apple- and orange juice) as well as our house wines (red and white wine). After the food has been served, you can choose from either coffee and espresso or a warm „digestif cocktail“. Both will be served with homemade pastries.

We will be happy to provide bistro tables with table cloth and a small decoration (colors will be coordinated with you).

For these services we charge a package price of **65,00 Euro per person** (incl. VAT). This price includes:

- **the welcome aperitif**
- **the food as a classic buffet or as a „flying fingerfoodbuffet“**
- **all drinks during the event (wine, soft drinks, coffee or digestiv cocktail)**
- **service staff for five hours (including the time for preparation and clean up)**
 - **bistro tables and their decoration**
- **as well as all needed glasses and tableware and the delivery charge**

This package is bookable starting from 20 persons.
